**VINYL WINDOW INSTALLATION INSTRUCTIONS**

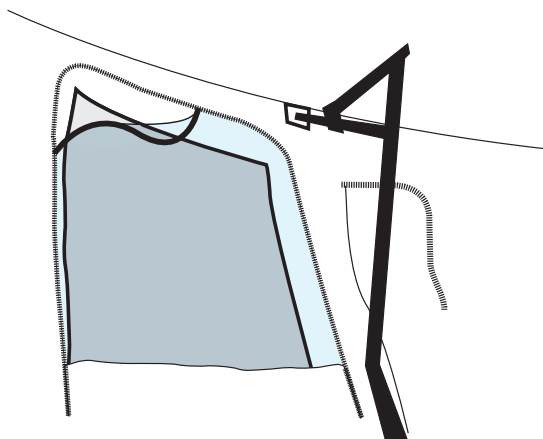

**SEC 1.1**

From the inside of the Tent, with the desired window unzipped, place the Vinyl Window (VNW) between the screen and the canvas with the zipper.

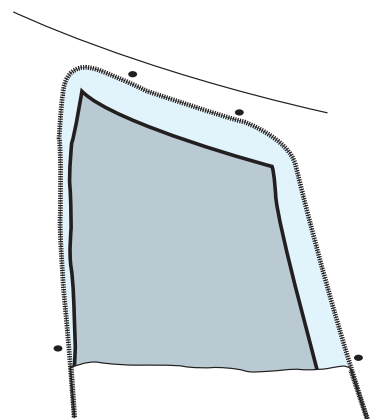

**SEC 1.2**

Tuck the Vinyl Window between the screen and the canvas with the zipper, with the posts of the Pin Clips pointed towards the interior of the Tent.

**SEC 1.3**

One at a time, remove the cap from each of the four Pin Clips and poke the post through the canvas. Replace the caps

**!** Note: When properly installed, the window can be zipped closed with Vinyl Window in place.
